\*Only in-state equivalencies are listed since the majority of THS students attend those. For any course equivalency inquiries, Google the website of your university or college of choice and search "transfer credits" to determine the most up-to-date information. The website [www.aztransfer.com](http://www.aztransfer.com) is helpful as well.

**+Take the CC-mandated Placement Test** at any CC over the summer at your convenience (see information on backside of this sheet) OR take the Placement Test on THS' campus at 2:45 on Wednesday, August 31, 2016 (see enclosed letter for detailed information regarding this opportunity).
