

Summer 2018

Dear Parents and Students:

I hope you have been enjoying a relaxing and productive summer. In a few weeks, it will be time to register for the 2018-2019 school year. In order to be prepared for registration and to ensure that it runs smoothly for you, it is important that you carefully read through this material, follow the directions and have all of the appropriate material completed and with you when you come for registration.

As we look forward to the first day of classes on **August 06, 2018**, I ask each of you to reflect on your goals for academic achievement, participation in extra curricular activities and community involvement. With purposeful commitment, you can make this coming year the most successful one ever!

We look forward to seeing all students at walk through registration on July 24-27. Remember that the only way to ensure your class schedule is to complete this registration process. It will be a pleasure to work with students and parents this year in the accomplishment of Thunderbird's mission. We want each of our students to be prepared for the choices and challenges of the 21st Century.

Continue to enjoy your summer. Please call (623-915-8900) if you have any questions.

Sincerely,

JL

Jason Latham
Assistant Principal of Student Services
